

AGENDA

The World Energy Council (WEC) Committee on Cleaner Fossil Fuels Systems (CFFS) and Craiova Power Energy Complex Workshop on

Cleaner Fossil Fuels for Sustainable Development

Tuesday, June 13, 2006 ■ Neptun Romania ■
Conference Center Neptun, Calatis Hall
Neptun, Constanta District, Postal Code 905550

- 14.00 **Opening Remarks, Welcome and Overview**
 Constantin Balasoiu, General Manager, Craiova Power Energy Complex, Romania
- 14.10 – 15.40 Session I: Current Cleaner Fossil Fuels Systems**
- 14.10 **Session Moderator:** Constantin Balasoiu, General Manager, Craiova Power Energy Complex, Romania
- 14.20 **Pollution Controls Systems**
 Dumitru Manea, Alstom, Romania
- 14.35 **Improving Efficiencies**
 Ionel Ilie, Craiova Power Energy Complex, Romania
- 14.50 **Co-firing**
 Henrik Noppenau, Vice President, Product Systems Development, Energi E2, Denmark
- 15:05 **RWE's Strategy on Clean Coal Power in the European Network**
 Henning Joswig
- 15.40 **Coffee Break**
- 16.00-18.00 Session II: Future Cleaner Fossil Fuels Systems**
- 16.00 **Session Moderator:** Barbara McKee, Chairman, CFFS Committee, United States
- 16.15 **New Multi-Generation Systems**
 Robert Gentile, Leonardo Technologies, Inc., United States
- 16.30 **Deployment and Dissemination**
 Zara Khatib, Technology Manager, Shell EP International Limited, United Arab Emirates
- 16.45 **Market Drivers for Carbon Capture and Storage**
 Michael Moore, Falcon ES-CO2 Global, United States
- 17.00 **R&D Prerequisites**
 Gurgen Olkhovsky, VTI, Russia
- 17.15 **CSD Policy on Global Fossil Fuel's Future**
 Peter Mak, United Nations, United States
- 17.30 **Open Discussion**
- 18.00 **Adjourn**
