

# Washington Water Power/ Kyrgyzenergo

*Improving Commercial Practices*

Kyrgyzenergo delegates prepare for a “bullish” day on the market during the Capital Finance Study Tour in New York City

Kyrgyzenergo delegates gear up for a site visit at Washington Water Power on meter reading and collections

**With the support of Washington Water Power, Kyrgyzenergo:**

- Adapted a proprietary, computer-based cost of service tariff model donated by Washington Water Power; and
- Improved its understanding of utility finance and customer service
