

Sponsorship Opportunities

**USEA Energy Supply Forum
July 16, 2009
National Press Club
Washington, DC**

Opportunity

This year will be the second year the United States Energy Association Energy Supply Forum. The Inaugural 2008 Forum drew approximately 300 attendees, representing the Washington energy policy community, including Congressional and Agency staff, the news media, think-tanks, associations, embassies, etc. Other similar USEA Forums draw about 300 attendees for similar constituencies.

Recognition

Forum sponsors will be prominently recognized in advanced promotional literature, with signage at the event, announcements at the forum, and the ability to have literature or other items included in attendee packets. Sponsors will be afforded the opportunity to recommend and introduce specific speakers, etc.

All printed materials will contain sponsor logos. The USEA website page for the forum will also include sponsor logos. Links to sponsor web sites also can be arranged.
