May 6-10	Introduction to Geothermal Energy Utilization The US-East Africa Geothermal Partnership (EAGP), a partnership between the U.S. Agency for International Development (USAID) and the US Geothermal Energy Association (GEA), being implemented by the US Energy Association (USEA) will be hosting the first in a series of EAGP Training Program modules for Kenya’s Geothermal Development Company (GDC) in Nakuru, Kenya. The EAGP Training Program will provide classroom training in geothermal project planning, development and implementation for East African geoscientists and engineers. The program will consist of 11 one-week modules covering various aspects of geothermal power project development and direct use. <i>Nakuru, Kenya</i>	Alison Holm Ext. 1224
May 13 – 17	Pakistan Distribution Utilities Executive Exchange on Distribution System Engineering and Planning. <i>Kuala Lumpur, Malaysia</i>	Lauren Dickerson Ext. 1238
	 2013 Deloitte Energy Conference – Innovation: Changing the Future of Energy Washington, D.C. – May 21-22, 2013 For two days, executives, researchers, entrepreneurs, regulators, and investors from around the globe will join Deloitte's energy professionals for an in-depth review of how innovative thinking is making the difference in addressing the challenges and opportunities in today’s global and domestic energy markets. Speakers represent a cross-section of the world's energy industry, and the conference topics are of keen interest to energy company management, boards of directors, investors, and all other industry professionals. More information is available at: www.deloitte.com/us/energyconference	
May 27-31	Geothermal Geology and Geochemistry The US-East Africa Geothermal Partnership (EAGP), a partnership between the U.S. Agency for International Development (USAID) and the US Geothermal Energy Association (GEA), being implemented by the US Energy Association (USEA) will be hosting the first in a series of EAGP Training Program modules for Kenya’s Geothermal Development Company (GDC) in Nakuru, Kenya. The EAGP Training Program will provide classroom training in geothermal project planning, development and implementation for East African geoscientists and engineers. The program will consist of 11 one-week modules covering various aspects of geothermal power project development and direct use. <i>Nakuru, Kenya</i>	Alison Holm Ext. 1224
May 29	WEC North America Energy Scenarios Workshop. 9:00 AM – 5:00 PM, USEA Executive Conference Room. <i>Washington, DC</i> *BY INVITATION ONLY* The United States Energy Association, The Energy Council of Canada and Mexico (Member Committees of the World Energy Council) will host a North American workshop to consider work to date in the latest WEC Scenarios Study. Input from those attending the workshop will be used to update and shape the final scenarios report to be presented at the 2013 World Energy Congress, in Daegu, South Korea, in October 2013.	Kim Grover Ext. 1230
May 29 – June 6	Enhancing Capacity for Low Emission Development Strategies (EC-LEDs) in the Philippines Executive Exchange. <i>Washington, DC; Sacramento & San Francisco, CA</i>	Andrew Palmateer Ext. 1286
May 30	USEA ANNUAL MEETING & PUBIC POLICY FORUM May 30, 2013 11:00 – 4:00 PM National Press Club 529 14th Street, NW, Washington, DC Join USEA members and distinguished guests as we come together to review highlights of the previous year, hear timely information on topics of interests to USEA Members, and celebrate the achievements of the 2013 U.S. Energy Award & Volunteer Award Recipients REGISTER ONLINE TODAY! http://www.usea.org/node/627/register ** Registration closes on May 27, 2013	Kim Grover Ext. 1230
June 3	Meeting of the USAID/USEA Romania-Ukraine-Moldova Interconnection Working Group. <i>Istanbul, Turkey</i>	Will Polen Ext. 1243
June 4	Joint Meeting of the USAID/USEA Black Sea Regional Transmission System Planning Project and the USAID/NARUC Black Sea Regulatory Initiative. <i>Istanbul, Turkey</i>	Will Polen Ext. 1243
June 5	Meeting of the USAID/USEA Black Sea Regional Transmission System Planning Project. <i>Istanbul, Turkey</i>	Will Polen Ext. 1243
June 6	Meeting of the USAID/USEA Azerbaijan-Georgia-Turkey Power Bridge Project. <i>Istanbul, Turkey</i>	Will Polen Ext. 1243
June 8-15	Pakistan Distribution Utilities Executive Exchange on Communications and Customer Service. <i>Manila and Visayas, Philippines</i>	Andrew Palmateer Ext. 1286
June 12-13	24th Annual Energy Efficiency Forum – Washington, DC The 24th Annual Energy Efficiency Forum will explore opportunities to place energy efficiency front and center in the new energy economy. In this period of expanding domestic energy supply, the forum will highlight efficiency’s role as a cost-effective resource to meet increasing energy demand, a strategy to make our communities more secure, resilient and sustainable and a driver for innovative new technologies and practices. A reception will be held the evening of June 12 th and the Energy Forum itself on Thursday, June 13 th at the National Press Club. To request an invitation, visit the website at: http://www.eeforum.net/forum/request-an-invitation/	Kim Grover Ext. 1230
June 17-21	Geothermal Geophysics The US-East Africa Geothermal Partnership (EAGP), a partnership between the U.S. Agency for International Development (USAID) and the US Geothermal Energy Association (GEA), being implemented by the US Energy Association (USEA) will be hosting the first in a series of EAGP Training Program modules for Kenya’s Geothermal Development Company (GDC) in Nakuru, Kenya. The EAGP Training Program will provide classroom training in geothermal project planning, development and implementation for East African geoscientists and engineers. The program will consist of 11 one-week modules covering various aspects of geothermal power project development and direct use. <i>Nakuru, Kenya</i>	Alison Holm Ext. 1224
June 22-July 2	Study Tour on Renewable Energy Integration and Transmission Planning in Competitive Electricity Markets for the USAID/USEA Southeast Europe Cooperation Initiative Transmission System Planning Project featuring meetings at the Midwest ISO, Southwest Power Pool and various organizations. <i>Washington, DC; Carmel, In; Little Rock, AR</i>	Will Polen Ext. 1243
June 25 – 26	 Energy Volatility Summit – Houston, TX Energy is an essential commodity needed to drive the business engine of public companies. This conference will address how businesses and government agencies must plan for energy volatility with both short- and long-term energy investments. http://www.conference-board.org/conferences/conferencedetail.cfm?conferenceid=2486 USEA members are eligible for a discount. Please contact Lauren Dickerson for details.	Lauren Dickerson Ext. 1238
Open	Registration for the 22nd WEC Congress 2013, Daegu, Korea is now open. To learn more or to register, visit the official Congress website at: http://www.daegu2013.kr/eng/registration/registration.jsp  	<i>USEA members are eligible to receive discounted rates.</i> *** Contact Kim Grover 202-312-1230
